Swimming fitness resources	Increase the range of activities offered to improve water confidence and fitness	860	Pupils experiencing a range of activities to promote health and fitness.

## Summary

We had two main aims for this year-promoting healthy lifestyle choices and increasing the number and standard of competitive experiences for our pupils. As you can see from the outline, the money has been utilised efficiently to meet both of these aims. From discussions with staff and pupils, we can see that the attitude towards the teaching and learning of PE is a positive one, with pupils disappointed if they cannot do their PE for one reason or another.

## Plan for next year

To maintain the competitive experiences, as well as making sure all pupils have the opportunity to do 60 minutes of exercise a day by introducing the adaptable 'mile a day' for all classes.
